

Jill and her nephew, Jaxson

THIS HOLIDAY SEASON, WE ARE CELEBRATING THOSE WHO GAVE THANKS.

Congrats to the winner of our employee Give Thanks Photo Contest, where we asked our employees to tell us who they're thankful for. Here's what Jill had to say:

“When my 10-year-old nephew Jaxson was diagnosed with leukemia earlier this year, he had to put his carefree days on hold. We were devastated for our little guy, but throughout several procedures, multiple rounds of chemo, a relapse and five long months in the hospital, his smile, laughter and courage never faded. And now, thanks in large part to the amazing sacrifice of an anonymous bone-marrow donor, he's home, leukemia-free. Jaxson's doctors call him 'the miracle healer.' I call him my inspiration and my hero. His courage makes me a stronger person every day.”

Don't forget to thank the people who help make you who you are today. The boss of your life. **The Chief Life Officer.**
